Prof. Dr. Zabta Khan Shanwari
(Vice Chancellor)

“Education is not preparation for life; education is life itself”. I am delighted that you are joining the academic community at the Federal Urdu University of Arts, Science and Technology to start your career. The University takes great pride in its accomplishments over the past two decades and is committed to deliver excellence in the new chapter of its history by giving you the strongest possible foundation to build your career.

This is what makes the Federal Urdu University of Arts, Science and Technology experience unique. Our students come from diverse backgrounds. In addition to pursuing their studies they also reach out to the community and involve themselves in co-curricular programs. We are passing through very difficult socio-political times that require serious academic pursuits, objective research, and fair analysis to achieve the social equity that define progress. Our goal is to help our students become academically efficient; socially responsible; and intellectually productive citizens of the country and of the world. We encourage our students to learn things; we teach them to have faith in themselves; we urge them to dream big; and we inculcate in them the spirit to live and let live. Our responsibility is to prepare them for the challenges of today and tomorrow. We are aware of how big a task we entrust them, but we would not do that if we had any doubt about their talent and potential. They are such bright young people! I welcome you to Federal Urdu University of Arts, Science and Technology and look forward to seeing you on campus soon.

Dr. Samra Zameer

An Understanding and respect for ethnic and cultural diversity, a sense of being responsible citizens of the society and to encourage a spirit of inquiry and criticism through research and publication.

Brief History of Federal Urdu University

When Pakistan came into being that Baba-e-Urdu Dr. Molvi Abdul Haq established an institution namely Urdu College in 1949 with a concept of same Usmania University and Ali Gardh University especially for teaching all subjects in Urdu. In 1954 the college includes the subjects of sciences in syllabus. During 1972 the Government of Sindh nationalized the all educational Institution including Urdu College, but during 1975 Federal Government took over this college because of national language Urdu. A remarkable period was started to promote education in our national language. Afterword the Urdu College was divided into two parts one called Urdu Arts College and other one called Urdu Science College under the supervision of two separate Board of Governors. A new era was raised and the both colleges started classes of M.A, LLM and M.Sc. The examinations were conducted by Karachi University. There were very good results of both colleges than Karachi University. Preferably most of the students were interested to get admission in these colleges for good results. In 2002 Dr. Atta-ur-Rehman who was the member of Board of Governors and chairman of HEC, he proposed for up gradation of both colleges as University namely Federal Urdu University for Arts, Sciences and Technology. The President General Parvez Musharraf signed a presidential decree and issued a notification ref: CXIX-2002 on 13th November 2002, and according to this the colleges were upgraded and on other hand the National Assembly also approved the resolution and provides the legal status for all universities of public sector. In 2004 a campus was established in Islamabad, such as the University running three campuses two in Karachi and third one in Islamabad. Needless to say that Federal Urdu University is above all other institution because this is the only University in Pakistan of national language a symbol of unity and providing higher education in national language. FUUAST have great privilege to establish our campuses anywhere in the country as well as in abroad. Because of all this remarkable progress the dream of Baba-e-Urdu came true. From the very day the FUUAST is struggling to maintain a quality education and research more over establishing new development and facilities to face the new challenges of the new era. The progress and expansion of the University over the short period of time since its inception, is remarkable, presently the University offers 39 undergraduate and 31 masters programmes besides M. Phil and Ph.D programmes under its full-fledged facilities including those of Arts, Islamic Studies, Education, Languages, Sciences & Technology along with Engineering, Business Management, Commerce & Economics Programs.

Introduction Faculty of Pharmacy

In faculty of Pharmacy we present five departments of Pharmacology, Pharmacognosy, Pharmaceutics, Pharmaceutical Chemistry and Pharmacy Practice. Federal Urdu University hiring competent Ph.D. teachers and experts in this field. Providing all necessary laboratory facilities, books in seminar library and the relevant materials for study. Faculty use to arrange seminars, workshops and discussion sessions with famous pharma companies and institutes for interlink and further knowledge. We are aware that during two decades a hug scientific and technological advancement has been occurred in pharmaceutical chemistry area. Therefore the number of students growing year by year for admission in this faculty. Pharmacognosy is an important course of pharmacy for that reason the pharmacists role is important in this regards that he must understand the reaction of herb and drug. Other all subjects also very important and need full attention in study and research.

Introduction Faculty of Business Administration, Commerce & Economics

Faculty of Business Administration, Commerce and Economics was established in 2005 with an aim to cater rising needs of professionals in the areas of business, commerce, and economics. The degree programs offered by the departments include Bachelor of Business Administration (BBA), Master of Business Administration (MBA), Bachelor (BS), and Associate Degree Programs (ADP) in the fields of Commerce and Economics.

In response to the changing business and economic world, our programs are specifically designed with academic rigor and practical relevance to promote multifaceted competencies essential for successful careers in these fields. With a focus on strategic thinking, market insights, and entrepreneurial spirit, our aim is to prepare students to effectively tackle the complexities of modern business.

Our highly qualified faculty consists of seasoned educators with extensive industrial and research experience. They are dedicated to providing holistic teaching to nurture future leaders with the desired knowledge, expertise and ethical insights to lead in such an ever-evolving business and economic landscape. Moreover, experts from well-known industrial, commercial and banking institutions are also invited in discussions and seminars to enrich students' exposure of contemporary issues in their fields of study.
