### Subject: Invitation for Chemistry Expo-2022

Dear Chairman/Principal **السلام علیکم**

We are honoured to announce that the Chemistry Expo-2022 will be held at Department of Chemistry, Federal Urdu University of Arts, Science & Technology, Gulshan-e-Iqbal Campus, Karachi on November 15, 2022. Students of schools (Matric, O- and A-levels), colleges and universities will display their innovative and new emerging ideas/projects in the form of model/poster/presentation. These projects will be related to chemical sciences (Organic chemistry, physical chemistry, analytical chemistry, nanochemistry, inorganic chemistry, environmental chemistry, geochemistry, textile chemistry, petroleum chemistry and chemical engineering). This event will enhance and motivate the skills of our new generation, and play a significant role in the development of our beloved country, which is the honour for us in all over the world.

It is intended that schools/colleges/universities may be asked to nominate their talented students for "Chemistry Expo-2022". Please send enclosed registration form for the participation to the corresponding address latest by September 30<sup>th</sup>, 2022. Participants will strictly follow the rules, which are also enclosed along with flyer. The organizing committee welcomes your participation and encourage all kind of contributions.

Looking forward to see you at the "Chemistry Expo-2022"

With very best personal regards
