## Brief History of Federal Urdu University

Baba-e-Urdu Dr. Molvi Abdul Haq established an institution namely Urdu College in 1949 with the same concept of Usmania University and Ali Gardh University especially for teaching all subjects in Urdu. In 1954 the college includes the subjects of sciences in syllabus. In 1972 the Government of Sindh nationalized the all educational Institution including Urdu College, but in 1975 Federal Government took over control of this college because of national language Urdu. A remarkable period was started to promote education in our national language. Afterword the Urdu College was divided into two campuses/colleges one called Urdu Arts College and other one Urdu Science College under the supervision of two separate Board of Governors. A new era was raised and the both colleges started classes of M.A, LLM and M.Sc. The examinations were conducted by Karachi University. There were very good results of both colleges than Karachi University. Preferably most of the students were interested to get admission in these colleges for good results. In 2002 Prof. Dr. Atta-ur-Rehman who was the member of Board of Governors and chairman of Higher Education Commission of Pakistan (HEC) proposed for up gradation of both colleges as University namely Federal Urdu University for Arts, Sciences and Technology (FUUAST). The President General Parvez Musharraf signed a presidential decree and issued a notification ref: CXIX-2002 on 13<sup>th</sup> November 2002 and both colleges were upgraded and on the other hand the National Assembly also approved the resolution and provides the legal status for all universities of public sector. In 2004, a campus was established in Islamabad, now the University running with three campuses two in Karachi and third one in Islamabad. Needless to say that Federal Urdu University is the only University in Pakistan of national language, a symbol of unity and providing higher education in national language. FUUAST have great privilege to establish campuses anywhere in the country as well as in the abroad. Because of all this remarkable progress the dream of Baba-e-Urdu came true. From the day one the FUUAST objectives are to maintain quality of education and research and facilities to face the new challenges of the new era. The progress and expansion of the University over the short period of time since its inception is remarkable, besides BS (4 Years)/BS (2 Years) programmes, M.Phil/MS and Ph.D programmes are running with full-fledged facilities in Arts, Arabic & Uloom-e-Islamia (Islamic Learning), Education, Languages, Law, Sciences & Technology along with Engineering, Pharmacy, Business Management, Commerce & Economics faculties.
